GPE participated in PROJECT QATAR 2014

One of the leading construction shows in the Middle East the Project Qatar show in Doha was held from 12th to 15th May 2014. GPE could welcome a large number of existing clients and new prospects. Currently GPE has received new orders from Qatar.

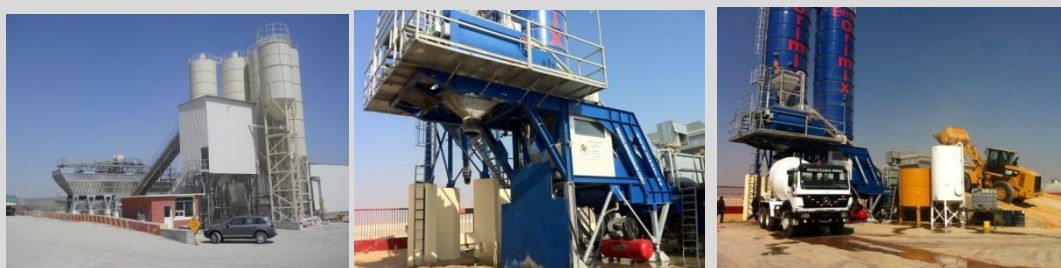

New BIBKO Recycling machine for TREMIX Dubai

GPE has delivered and installed a complete new Bibko recycling machine for Tremix in Dubai. The ComTec machine has an extra large feeding hopper where two trucks can recycle concrete at the same time. Furthermore the machine is equipped with a pump discharge conveyor where also concrete pumps can recycle and washout remaining concrete.

GPE received new orders for 4 batching plants

GPE has received new orders for a stationary batching plant type GPE 120 to be delivered to Najran and a GPE 80 plant to Muscat. Furthermore an order was received for a fully mobile batching plant EUROMIX 100 to Doha. Finally a big group from Abu Dhabi placed the order to GPE for a batching plant producing concrete for a kerbstone production.

Euromix Dynamik 80 launched

Recently the new fully mobile batching plant EUROMIX Dynamik 80 has been launched. The plant is now equipped with a BHS twin shaft mixer with 1,67cbm output per batch which will lead to a production capacity to app. 80cbm/hr. Furthermore the plant has now galvanized aggregate bins and also bigger platforms for an easy maintenance. All motors are SEW type. The plant is fully mobile and can be moved with one trailer only.
